

## Chicago Books to Women in Prison

We will send you 3 books free. We'll try to send what you want, but all books are donated so we may not have everything you ask for. We can rarely fill requests for specific titles.

- We get many orders, so please plan on 3 to 5 months for your books.
- If you send more than one order in 3 or 4 months, we will treat them as a single order.
- **Tenemos libros en español (incluyendo libros para aprender inglés).** Favor de apuntar en español, al revés de la hoja, al menos cinco tipos de libros preferidos.
- **We have large print. Please write on the back at least 5 kinds of LP books you want.**

→ **If you want a composition book** — and your facility permits it (please check first) — because of cost we cannot send this and also books. **Do you want a composition book instead of books? YES NO**  
**Please select at least 5 kinds of books in case we're out of comp books** or your facility doesn't allow them. If you don't give us book options and we cannot send a comp book, we'll send a variety of books.

- **Please circle 5 or more general kinds of books below.** This helps us pick books you'll like if we're out of something. Or tell us what kinds on the back of this form. **We can rarely fill requests for specific books.**
- Tell us more about the underlined categories on the back. That helps us make good choices for you.
- To avoid duplicates, on the back tell us what books you've already read by an author or on a certain topic.
