True Leap Press is a publishing collective that promotes Black liberationist and revolutionary abolitionist intellectual struggle. We advocate for the building of mass-based projects of anti-racist, anti-capitalist, and anti-patriarchy political education. This catalog features new and old literature available for order from our 'Zine Distro. Our publications and other materials listed below are available free at request for imprisoned people. We do not keep a mailing list, so please be sure to reach out each time you need more literature, as we will not be mailing things out, without a request.
